

SPP2451 - FAMILY SUPPORT

SPP2451 provides financial help to support parents (mothers and fathers) with young children or members responsible for care-dependent family members.

To support your research during pregnancy, while working reduced hours during parental leave, or while caring for a family member, we offer financial support for hiring a student assistant (SHK).

- **Eligibility Criteria**

Be an early-career scientist (up to advanced postdoctoral level) within SPP2451.

- Provide supporting documentation for pregnancy, parental leave, or care responsibilities.
- Obtain prior approval from your Principal Investigator (PI)

Application Format (Maximum 1 Page)

The application is free format. The following points must be addressed:

- Applicant name, institute and position
- Desired timeframe and extent of support (start date, duration in months, hours/week).
- Brief explanation of why support is needed.
 - A brief description of the tasks to be carried out by the student assistant and how they fit the objectives of the SPP project.
 - A plan for supervising the assistant in your absence from the laboratory.

Review Process

Applications will be reviewed by the SPP coordinator and feedback will be provided within 2 weeks.
